

CONSTELLATION PROCESS!

- ♥ Heal individual, collective & intergenerational trauma.
- ♥ Bring integration & wholeness to what's been in the shadow.
- ♥ Transform intimate & other relating wounds—into real love.
- ♥ Discover the magical power of the field in resolving issues.

Within a safe and sacred space, experience a unique approach for becoming more of your whole Self. If you're ready to dive deeply into the unconscious wounding that's been running our lives (and our collective reality), and if you're ready to take charge of manifesting what you really want for yourself, your children and the planet—this work is for you!

Hannah (Betty) Idarius is the director of Process Coaching Center and a certified Process Coaching Teacher, Trainer and Coach. Her background includes over 30 years as a homebirth midwife and classical homeopath. She also has extensive training in NLP, family constellations, pre- and perinatal psychology and mind-body healing.

Hannah is a child of holocaust survivors. Her lifework is dedicated to healing the wounds that have created suffering and allowed atrocities to occur. These wounds live in each of us, offering a unique opportunity to heal and integrate our shadow parts, so real evolution can unfold.

"The time is now... and we are the ones being called to make the difference... to be the Healers!"
