

CONSTELLATION PROCESS!

*Experience the
powerful synthesis of
Process Coaching® &
Constellation Work...*

- ♥ Transform the unconscious dynamics that have shaped your life.
- ♥ Heal partnership & relationship issues.
- ♥ Break free from fear & guilt.
- ♥ Discover the magical power of the field in resolving issues.
- ♥ Achieve deeper wholeness & live your life to its fullest.

You will experience a unique approach for achieving deep emotional healing and becoming more of your true Self. If you're ready to dive deep into the conditioning that's been running your life, and take charge of manifesting what you really want for yourself and the planet, this work is for you!

Pam Bolton, MA in Transformative Arts, is the Trainings Coordinator for Process Coaching Center, a certified Process Coach, teacher and trainer. Pam brings with her three decades of focused experience in the healing arts, a lifelong love of nature and a deep connection with the earth.

Betty Idarius is the director of Process Coaching Center and a certified Process Coach, teacher and trainer. Her background includes over 30 years as a homebirth midwife and classical homeopath. She also has extensive training in NLP, family constellations, and mind-body healing.

Saturday, December 5th

10:00 am – 5:30 pm ~ Healdsburg

Cost: \$75, includes telephone check-in after the workshop.

For registration, or further information, contact: Pam 857-3413 or Betty 234-5035.
