

# CONSTELLATION PROCESS EVOLVES...

## IDENTITY CONSTELLATIONS!

# WAKING UP TO WHO WE TRULY ARE

*Sebastopol ~ Sat., March 2, April 6,  
& Sun., May 5 ~ 10AM – 5:30PM*

- ♥ Live from a deeper identity.
- ♥ Uncover and heal ancient trauma.
- ♥ Transmute trauma to evolve love.
- ♥ Experience being the one whole Being.

The time is now! We are the ones being called to make the difference, to be the Healers. In a safe and sacred space we'll dive deeply into the unconscious wounding that's been running our lives (and our collective reality). If you want to take charge of becoming who you truly are and manifesting what you truly desire for yourself, your family and the planet—this work is for you.
