

WORLD STAGE CONSTELLATION PROCESS!

*Sunday
January 20
10-5:30PM
Sebastopol*

What global events have been challenging for you?

What do you have to do with what you see out there?

What if you could use the outer reflections for your own r(evolution)?

We are not separate from the planetary events we witness. Explore your process as it relates to the World Stage within the safe and potent container of Constellation Process. Constellation Process is a synthesis of Process Coaching and Systemic Constellation work.

Co-collaborators for 15+ years, Beverly Lawrence and Kathleen MacGregor bring experience, intuition and joy to process exploration.

Cost: \$100
